

ABOVE AND BEYOND LABEL ESSENTIALS

## CAPABILITY STATEMENT

Above and Beyond Label Essentials (ABLE), specializes in providing labels to the automobile industry. Our labels are custom manufactured to adhere to various substrates such as metals, plastics and fabrics. They are used for traceability, shipping and identification purposes on trim assemblies, headliners and other automobile components.

### Past Performance

ABLE products and services have proven performance in the automotive industry:

- ◆ Tribar Technologies, Inc
- ◆ Grupo Antolin
- ◆ SA Automotive
- ◆ Transtar Autobody Technologies

### Sample Projects:

- ◆ Transition from thermal transfer to direct thermal transfer labels
- ◆ Label design to withstand overseas shipping
- ◆ Print quality resolution through ribbon modification

### Core Competencies

- ◆ Durable labeling solutions
- ◆ Inventory management
- ◆ Customer relationship prioritization
- ◆ Strategic sourcing

### Differentiator

- ◆ 30+ years of experience in the automotive industry
- ◆ Just-in-time inventory management. Saving in-factory footprint space and employee productivity.
- ◆ On-site consulting and troubleshooting
- ◆ Manufacturing floor diagnostics
- ◆ IT Collaboration
